

Changeable Snap Frame Boards

Using our changeable dry erase boards, allows for easy modifications. The changeability is useful for so many applications. We can create custom printed magnetic inserts featuring your design, logo and colors. Inserts can easily change to post the most current insert for your facility.

The snap frames, made of exceptionally durable aluminum, are useful most notably in the healthcare industry to update patient, or staffing needs. The 4 hinged magnetic sides simply flip out and back consequently makes it easy to switch out inserts.

Above all else, the ease of use is why the snap frame is successful.

- Lightweight inserts that are easy to install
- 2-sided inserts eliminate the inconvenience of storing “the other version”
- Excellent solution for bi-lingual options
- Re-branding or re-purposing of a room is no problem for this product. Easily replace the insert.
- Frames stays in place for years to come
- Low-cost solutions
- Purchase newly updated graphics without having to replace the entire board.
- Custom sizes available
