Core Competencies

Digital Designed Solutions is a small business located outside of Philadelphia, PA. We manufacture and sell custom printed dry erase markerboards for a variety of commercial and federal applications. While many of our competitors rely on other companies to manufacture for them, we prefer to manage and control the process in-house. We offer a wide variety of whiteboards, mobile whiteboards, and whiteboard products, including:

- Wall mounted whiteboards: plain or custom printed.
- Mobile whiteboards: 1-sided or 2-sided.
- Whiteboard Equipment:
 - 3-sided and 4 sided rotating stands
 - Whiteboard cabinet cubes
- Changeable whiteboards: ideal for dual language situations.
- Magnetic whiteboard accessories.

Differentiators

- High quality dye-sublimation process; embeds the image into the dry-erase surface.
- Our design team will work with you to create a unique design.
- In-house manufacturing allows us to quality control the process.
- Experienced with shipping throughout the U.S., Canada, Mexico and overseas.
- Over a decade of experience working with multiple government agencies and the military.
